

Columbia Square Hot Work Permit

This form to be returned with Construction Special Access Form

Date: _____ Contractor: _____ Tenant: _____

Location where work is being performed: _____

Date and Time of work to be performed: _____

Below are the requirements set forth by this property which must be practiced while performing hot work at this site.

1. Contractor must make arrangements with Hines *no less than 24* hours in advance of when work is expected to be performed.
2. It will be determined at the time the contractor makes these arrangements as to whether the required work can be performed during the day or must be accomplished after building lease hours.
3. The contractor must provide an individual other than one actually performing the hot work to serve as a fire watch and police the surrounding areas of where work is being performed. This individual must be equipped with a fire extinguisher which displays a current inspection sticker and must also be knowledgeable in the use of the extinguisher.

Brief description of work to be performed.

I have read and understood the above rules set forth by the property and will cooperate fully with these requirements.
